RETURN RECEIPT REQUESTED

IN REPLY REFER TO:  
APPEAL START

The Honorable Craig Thurmond  
Mayor, City of Broken Arrow  
P.O. Box 610  
Broken Arrow, Oklahoma 74013

Community: City of Broken Arrow,  
Tulsa and Wagoner Counties,  
Oklahoma  
Community No.: 400236

Dear Mayor Thurmond:

On December 22, 2014, and January 9, 2015, the Department of Homeland Security's Federal Emergency Management Agency (FEMA) provided your community with Preliminary and Revised Preliminary copies, respectively, of the Flood Insurance Rate Map (FIRM) and Flood Insurance Study (FIS) report for the City of Broken Arrow, Oklahoma. FEMA has posted digital copies of these Preliminary and Revised Preliminary FIRMs and FIS report materials to the following Website: <http://www.fema.gov/preliminaryfloodhazarddata>.

We also request that your community make the hard copy Preliminary and Revised Preliminary FIRMs and FIS report available for review at your community's map repository located at the Operations Building, 485 North Poplar Avenue, Broken Arrow, Oklahoma 74012. The Preliminary and Revised Preliminary FIRMs and FIS report include proposed flood hazard information for certain locations in the City of Broken Arrow, Oklahoma. The proposed flood hazard information may include the addition or modification of Special Flood Hazard Areas, the areas that would be inundated by the base (1-percent-annual-chance) flood; base flood elevations or depths; zone designations; or regulatory floodways.

We have published a notice of the proposed flood hazard determinations in the *Federal Register* and will publish a public notification concerning the appeal process (explained below) in the *Broken Arrow Ledger*, *The Tulsa Business & Legal News*, and the *Tulsa World* on or about September 2, 2015, and September 9, 2015. We will also publish a separate notice of the proposed flood hazard determinations on the "Flood Hazard Determinations on the Web" portion of the FEMA Website ([www.fema.gov/plan/prevent/fhm/bfe](http://www.fema.gov/plan/prevent/fhm/bfe)). We have enclosed copies of the notice published in the *Federal Register* and the newspaper notice for your information.

These proposed flood hazard determinations, if finalized, will become the basis for the floodplain management measures that your community must adopt or show evidence of having in effect to qualify or remain qualified for participation in the National Flood Insurance Program (NFIP). However, before any new or modified flood hazard information is effective for floodplain management purposes, FEMA will provide community officials and citizens an opportunity to appeal the proposed flood hazard information presented on the Preliminary and Revised Preliminary FIRMs and FIS report posted to the above-referenced Website.

Section 110 of the Flood Disaster Protection Act of 1973 (Public Law 93-234) is intended to ensure an equitable balancing of all interests involved in the setting of flood hazard determinations. The legislation provides for an explicit process of notification and appeals for your community and for private persons prior to this office making the flood hazard determinations final. The appeal procedure is outlined below for your information and in the enclosed document titled *Criteria for Appeals of Flood Insurance Rate Maps*.

recommendations for resolution. An SRP is an option after FEMA and community officials have been engaged in a collaborative consultation process for at least 60 days without a mutually acceptable resolution of an appeal. Please refer to the enclosed "Scientific Resolution Panels" fact sheet for additional information on this resource available to your community.

FEMA will make the reports and other information used in making the final determination available for public inspection. Until the conflict of data is resolved and the FIRM becomes effective, flood insurance available within your community will continue to be available under the effective NFIP map, and no person shall be denied the right to purchase the applicable level of insurance at chargeable rates.

The decision by your community to appeal, or a copy of its decision not to appeal, should be filed with this office no later than 90 days following the second publication of the flood hazard determination notice in the above-named newspapers. Your community may find it appropriate to call further attention to the proposed flood hazard determinations and to the appeal procedure by using a press release or other public notice.

If warranted by substantive changes, during the appeal period we will send you Revised Preliminary copies of the FIRM and FIS report. At the end of the 90-day appeal period and following the resolution of any appeals and comments, we will send you a Letter of Final Determination, which will finalize the flood hazard information presented on the FIRM and FIS report and will establish an effective date.

If there are further questions regarding the FIRM and FIS report for the community, please feel free to contact one of the Regional contacts listed below for additional assistance:

For questions concerning:	Name	Telephone Number	Email
Engineering/Mapping	Mr. Jerry Clark	(940) 898-5270	jerry.clark@fema.dhs.gov
Community Outreach	Ms. Cynthia Wirz	(940) 898-5164	cynthia.wirz@fema.dhs.gov
Insurance	Mr. Mark Lujan	(940) 383-7327	mark.lujan@fema.dhs.gov
Compliance	Mr. Roberto Ramirez	(940) 383-7329	roberto.ramirez@fema.dhs.gov

If you have any questions concerning mapping issues in general, please call the FEMA Map Information eXchange (FMIX) toll free at (877) 336-2627 (877-FEMA MAP), or e-mail the FMIX staff at [FEMAMapSpecialist@riskmapcds.com](mailto:FEMAMapSpecialist@riskmapcds.com).

Sincerely,

Luis Rodriguez, P.E., Chief  
Engineering Management Branch  
Federal Insurance and Mitigation Administration
